

Alburnett/Prairie Chapel Parish News - February 2019

The church newsletter is under construction. The "new" monthly newsletter is projected to be revealed in March 2019. During the interim church news will be sent in an abbreviated version.

A Time of Renewal

When you receive this E-Newsletter I will be on the road starting my Renewal Leave. One does not always recognize the wear and tear of Pastoral Ministry but I've discovered that there is a price to pay for not taking all your vacation and not taking your days off on a regular basis. I'm thankful for a Staff Pastor Parish Relations Committee that cares about the well being and Spiritual vitality of their pastor, for the sake of the church. They have encouraged me to take this time for self renewal and I'm thankful to them, the Administrative Board, as well as members of the church for your care. I look forward to returning as we begin the Lenten season. Thank you for the privilege of serving you as Pastor. During this time in February please pray for our Denomination, our local Church, and your Pastor.

Faithfully Yours.

Pastor Jon
