### NEW TABLES FOR FELLOWSHIP HALL

Administrative Council has decided it is time to replace the tables in Fellowship Hall. The current tables are very heavy and difficult to put up and/or take down. After researching various table types the church is getting Correll tables from Welter's. These well-made tables are significantly lighter in weight and the 30 inch width will provide more room between tables when hosting events. The cost of a new table is \$155.00 and we are getting fifteen. This expense will be covered by Memorial Gifts in memory of George Miller and and Leila Sloan. The tables we currently have are being donated to the Alburnett Fire Department. A new fire station is in the works and these tables will make a great addition to the facility.
